

# 1 DHU 003 HEADSET

## FOR OUTDOOR INTERCOM STATIONS

The headset is used with the digital outdoor intercom stations of the DAE 0x5, DAE 7x5 and NRO xx2/DE series and is ideal for use in tough industrial surroundings.

It is connected to the station through a plug-in cable. The conversation is controlled via an external key.

- Conversation control via external key
- Safe connection with push-pull plug
- Headset capsules allowing use in noisy areas
- Suitable for use with INDUSTRONIC intercom stations of the DAE 0x5, DAE 7x5 and NRO xx2/DE series
